

Bradford Beacon's Weekly News

Welcome to our first Weekly News.

We have had a really busy week at Bradford Beacon! The children have had lots of fun learning, playing and spending time with friends. We continue to have new children starting and it is wonderful to see how easily they are settling in and how welcoming our pupils have been.

Bradford Beacon's Star

Jaxon Lawson – Jaxon has been making really good choices this week and has been really welcoming to our new pupil.

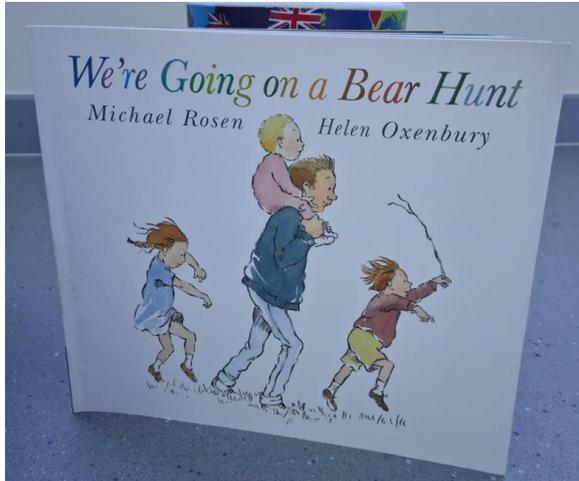

Our Learning

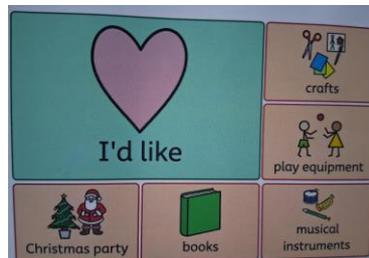

Clinical Updates

The Clinical Team have been on a Bear Hunt with the children. They enjoyed listening to the story and exploring each obstacle.

Pupil Voice

We asked the children what they wanted to make school even better. Lexia chose a Christmas party and Jaxon chose new books.

From all the staff at Bradford Beacon, we hope you have a lovely weekend and we look forward to seeing the children on Monday morning.
