

Bradford Beacon's Weekly News

Welcome to our Weekly News.

It has been a lovely week at Bradford Beacon as always. The children have enjoyed using their senses whilst learning about Winter, playing a range of musical instruments and using fruit for printing with paint. We have welcomed another new pupil this week and are so proud of how well all our children adapt to changes.

Bradford Beacon's Star

Ava Whitford – Ava has been using symbols to communicate brilliantly this week, we've also enjoyed see lots of smiles from her.

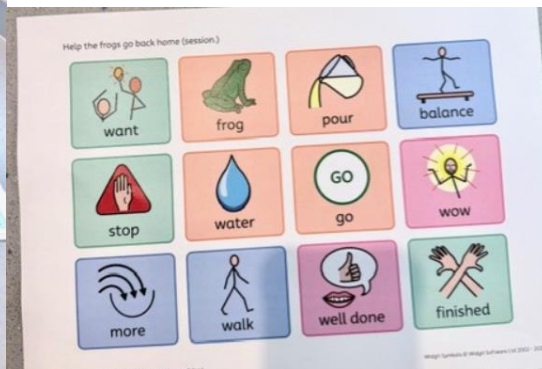

Our Learning

Updates from the Clinical Team.

Last week the children did a fantastic activity, 'Helping the frogs back home.' They carefully walked along the tricky path whilst carrying a jug of water and worked together to return the frogs to their coloured homes. We were absolutely amazed by how engaged the children were and by the care and focus they showed throughout the session. We are incredibly proud of you all! - clinical team.

Next Week

Our topic this term is 'Our Community,' we would love it if you could send in any photos of the special people in your child's lives that we can use for sharing in class.
