

Bradford Beacon's Weekly News

Welcome to our Weekly News.

It has been a lovely week at Bradford Beacon and the sun has finally been shining. The children loved immersing themselves in stories to celebrate World Book Day, we even had Stick Man cupcakes for lunch!

Bradford Beacon's Star

Mia Foster – Mia has been inviting her friends to play with her and sharing activities in the classroom with them. Well done Mia!

Our Learning

World Book Day

To celebrate world book day, we ran a sensory circuit/sensory story based on the hungry caterpillar. All the children got involved with feeding the caterpillar, pretending to be wrapped in a cocoon and emerging as a butterfly. We had lots of laughter throughout.
